Mission Statement

Our mission is to provide the best possible environment, to showcase the highest level of competition from around the world, and thus provide the most exciting entertainment for our attendees.

About Our Event

The Open takes pride in being the flagship International Swing Dance competition, paving the way for dancers all around the world. The “best of the best” of West Coast Swing gather here to compete for the coveted title, “The Open Champion” and work all year to take home an **OPUS**. More competitors come to **The Open** to perform their swing routines than any other event in the world. Dancers consider **The Open** to be the most challenging and exciting swing competition of the year. Spectators get to witness the most amazing dance performances that will be seen in one place, at one time.

The Open is home to the “*Walk of Legends*,” an award given to those who have been legendary in their influence on swing, their contribution to making **The Open** Champion title so prestigious and who helped make **The Open** a highly celebrated event.

This will be the 39th Year of **The Open Swing Dance Championships**, which makes it one of the longest running swing competitions in the world. We invite you to come and become part of **The Open** tradition. Reunite with old friends and meet new ones.

Statement of Swing

Swing is an American Rhythm Dance based on a foundation of 6-beat and 8-beat patterns that incorporate a wide variety of rhythms, built on 2-beats, single, delayed, double, triple, and blank rhythm units. The 6-beat patterns include, but are not limited to, passes, underarm turns, push-breaks, open-to-closed, and closed-to-open position patterns. The 8-beat patterns include, but are not limited to, whips, swingouts, Lindy circles, and Shag pivots. Although they are not part of the foundation of the dance as stated above, 2-beat and 4-beat extension rhythm breaks may be incorporated to extend a pattern, to phrase the music, and/or to accent breaks. The objective is to provide a competitive performance venue for the various unique styles of swing that have developed across the nation to include but not limited to Carolina Shag, Dallas Push, East Coast Swing, Hand Dancing, Hollywood Swing, Houston Whip, Imperial Swing, Jive, Jitterbug, Lindy Hop, Rock-n-Roll, and West Coast Swing. **The Open’s** divisions are open to a variety of Swing dances, **except where it is stated as a West Coast Swing competition and in the Cabaret division.**

This statement is used only to identify the presence of Swing content in a performance. It is not intended to be a full definition of Swing, or to be used to evaluate the quality of the performance.

Responsibilities as the Organizers

1. **Selecting the competition officials.** We will select a panel of Judges, Chief judge, Scorer, Referee Judge, Review Panel, MCs, Chief DJ, and Competition DJs. We will provide the names of these officials prior to the event on our website. Our MC will announce the judges for each competition at the start of the competition. There will be a minimum of seven (7) judges for all routine competitions.
2. **Determining the rules and schedule.** We will determine the rules for our competitions and post them in advance on our website. We will also post a full weekend schedule listing the times for all meetings, competitions, and awards. We will follow our posted schedule as much as possible. If we need to make any last-minute changes, we will announce them at the event.
3. **Registering contestants and verifying eligibility.** We will collect entries from eligible competitors in advance (using our online registration system) and at the event (during contest registration times listed on the weekend schedule). We will verify that you are eligible for each competition you enter. We will assign Bib numbers to Strictly Swing Leaders, and Jack & Jill Leaders and Followers.
4. **Holding all competitions as planned or modifying them if necessary.** We will do everything we can to hold all competitions as planned. If necessary, we may extend the registration deadline or change the eligibility requirements (if we are allowed to do so) if we receive insufficient entries.
5. **Cancellation of a competition.** If we must cancel a competition, we will refund your entry fee, and we may invite you to perform an exhibition instead.
6. **Scoring the results.** We will select a qualified independent scorer. Our scorer will use callbacks for all preliminary and semi-final heats, and relative placement for all finals. (A detailed explanation of relative placement is available on the WSDC website at www.worldsdc.com.) Our scorer will post QR Codes for all the competitions for public examination for approximately 1 hour after the announcement of the results and presentation of awards. Scores will also be posted online after the event.
7. **Announcing the results and presenting awards.** We will announce the results of all competitions at our Awards Ceremony. We will set aside a significant prize fund for the winners. (See the section on “Prize Money” at the end of this document for a list of prize amounts.) We will present all monetary prizes in the form of checks. If fewer couples enter than the number of places scheduled to receive prizes, we reserve the right to redistribute or retain any unused prize money.

Responsibilities as a Competitor

You may register for competitions in advance using our online registration system, or at the event during the contest signup times listed on the schedule. If you registered in advance, you should plan to pick up your Bib Number(s) at the event, at the contest sign-up desk during open hours. Be sure to check for any last-minute changes to the schedule.

1. **General Rules.** Competitors must have a full weekend pass, pay any required entry fee, and sign a legal waiver (if you are under 18, your parent or guardian must sign for you).
2. **Knowing the rules.** You should read the rules carefully prior to the competition. You are responsible “for following the rules” whether you have read them. If you have any questions, you should ask them at the contestants’ meeting or contact our Chief judge at usopencjyma@gmail.com ahead of time.
3. **Attending the contestants’ meeting.** It is recommended that at least one partner of a couple attend this meeting and if this is your first time competing at **The Open**.
4. **Being prepared to compete.** You should be in the Green Room at least 30 minutes before your competition. If you are not in line when the division is announced, you will not be able to compete. For Strictly Swing and Jack & Jill competitions, remember to bring your bib number.

5. *You must wear your bib number for all competition rounds including finals* (unless our competition officials tell you it is not needed). If you are not wearing a bib number, you will not be allowed to dance. If you are disqualified, miss the competition, or withdraw after the registration deadline, you will forfeit your entry fee.
6. *Demonstrate good sportsmanship conduct at all times.* You must demonstrate good sportsmanship conduct at all times, both on and off the competition floor. This includes treating your partners, other competitors, competition officials, spectators, event staff and volunteers, and the event itself with respect. Demonstrating a poor attitude by behaving in ways that our competition director, Chief judge, judging panel, or other competition officials deem inappropriate or disrespectful may result in a violation penalty or disqualification.
7. *Using appropriate channels to communicate your concerns.* If you have questions or concerns about our competitions, you should use appropriate channels to share your concerns, such as at the contestants' meeting or in a private discussion with our competition director or Chief judge. You are not allowed to confront, pressure, challenge, or argue with individual judges. If you harass or verbally abuse a judge or any other competition official, we may disqualify you and may also ban you from competing at our events in the future.
8. *Reviewing your scores.* Our scorer will post QR codes for all scores for approximately 1 hour after the announcement of the results and presentation of awards. You may review this information to see how you did. If you are unable to review your scores at the event, you may also view posted scores online or contact our competition director after the event.
9. *Appropriate behavior and attire.* It is our desire to encourage expressive and exciting dance performances without sacrificing the quality of dancing and good taste. To maintain this balance, we encourage you to put on a good show (including humor where appropriate) but within the context of presenting solid dance fundamentals. Comedy routines where a couple dances poorly on purpose for comic effects are not allowed.
10. *Age Appropriate.* Keep in mind that all ages (including young dancers) will be present at our event, and that your performance will be streamed live online and recorded for the future. Any action that our judges believe would make them uncomfortable in social dancing (such as inappropriate touching or simulating sexual behavior) may earn a violation penalty.
11. *Questions.* Check with our Chief judge in advance if you have any questions regarding the acceptability of your choreography or competition attire at: usopencjyma@gmail.com

If a division has at least three (3) entries and the Organizer decides to run the division with less than the required number of entries, the Organizer has the right to adjust the prize money. Competitors will be notified prior to the event about a cancelled division or a division with adjusted prize money.
5. The Event Registration desk will be open Wednesday, November 22nd from 7-10 PM. We encourage everyone to register online prior to November 17th.

Program

Our program is part of the **THE OPEN SWING DANCE CHAMPIONSHIPS, INC.** history and has been a collector's item since 1983. It documents the history of all who compete and with whom. We encourage every competitor to register in time and provide the information needed to be in our program.

1. **THE PROGRAM DEADLINE IS OCTOBER 10th.** If registering after October 10th, the organizer is not obligated to include you in the program. You may or may not be included in the program after Oct 10th based on editor and printing timelines. If you have questions, please contact info@usopenswing.com.
2. **Jack & Jill, Pro-Am Routines, and Strictly Swing divisions** will have their name, city, state, and country (if outside the United States of America) listed in the program.
3. **Routine Divisions:** We encourage Competitors in Routine divisions (N/A to the Pro-Am Division) to provide their "Bio" and picture for our program. They must be submitted in the proper format.
4. **How To Submit Your Program Info:** When you register and provide payment, the purchaser will receive an email indicating that *a picture and "Bio" are required*. Open the link, log into your www.worlddanceregistry.com account, go to my Divisions, write "Bio," and attach the picture. It is best to have your "Bio" and picture ready to submit at the time of registration. It is more complicated to do this later.
 - **Bio.** Keep "Bio" to 300 characters or less. Your "Bio" should contain information about you and your partner. Suggestions: Who are you? How long have you been dancing? What brought the two of you together? What it means to be dancing together at *The Open*. What is it about dancing that inspires you? What interests do you have outside of the dance community? To ensure your "Bio" is processed properly you **MUST SUBMIT** it through the link provided to you upon payment. If you bypass the recommended process, we do not guarantee it will be in the program.
 - The Organizer reserves the right to edit content, grammar, and spelling as needed.
 - **Picture.** -- The picture should be a head shot rather than a full body shot. We are interested in your faces. Full body shots end up being too small to be effective. Submit images in JPEG format, at least 300 dpi and size it no smaller than 2" x 2". We will be printing in black and white, so contrast is important. A color image is fine, as we can convert it to B&W. Your image should be a recent photo of you and your partner.
 - The Organizer reserves the right to reject any image that does not meet standards of good taste.
 - Please do not submit silly shots, pictures of kids, or pets.
 - To ensure your picture is processed properly you **MUST SUBMIT** your picture through the link provided to you upon payment. If you bypass the recommended process, we do not guarantee it will be in the program.

2. The organizer reserves the right to change the schedule based on the number of entries in a division and whether a prelim and/or semi-final is needed.

Practice Times

The Organizer will try to provide as much practice time in the main ballroom as possible.

1. The Pasadena Ballroom will be available for practice when the room is not in use for workshops and other “The Open” activities.

The order of the Leader lineup and the order of the follower lineup is determined by the competitors' randomly assigned Bib number (ascending order). Finals may or may not be danced in heated format. For Jack & Jill Finals, the final round pairings will be computer generated, randomized by the Fisher-Yates shuffle algorithm.
2. *Strictly Swing Divisions*. Computer generated, randomized by Fisher-Yates shuffle algorithm. Prelims and Semis will be danced in heated format. Finals may or may not be danced in heated format.
3. *Pro-Am Divisions*. Computer generated, randomized by the Fisher-Yates shuffle algorithm.

Eligibility – Verification Process

1. We will verify that you are eligible for the competitions you enter by checking the World Swing Dance Council (WSDC) Points Registry and other sources of information, if applicable.
2. If you are concerned that other contestants are entered in an incorrect division or are ineligible, please inform our competition director or chief judge privately, as soon as possible. We will investigate and take appropriate action, if necessary.

If we determine before a competition that you registered for the wrong division or are not eligible, we will reassign you to the correct division (if possible) or allow you to withdraw. If we do not discover until after finals that you misrepresented your status and were not eligible, we may drop you (and your partner) out of awards. If we made an error and assigned you incorrectly, no penalty will be applied.

Petition

It is our goal to encourage you to compete with your peers. If you are unclear about which competition or division is right for you, check with our Chief judge at usopencjyma@gmail.com before you register. If you want to enter a competition for which you do not meet the entry requirements, or want to change divisions, you must submit a petition.

1. To petition in advance: Complete Petition Application online through at: <https://usopenswing.com/wp-content/uploads/us-open-petition-to-dance-1.pdf>. You must make your request prior to November 1st.
2. List division, partner's name, ages, partner relationship/history and present your case, to petition to dance together.
3. *The Open's* Chief judge will review your petition. Based on past decisions and what is best for that division, your petition will either be approved or disapproved.
4. The Chief judge will notify you of the decision. The Chief judge's decision is Final.
5. For information regarding Jack & Jills petitions, please go to: <https://www.worldsdc.com/wsdc-points-registry-rules/>

Restart

1. You may request a restart if something happens during your dance that could impact safety, such as:
 - Technical problems – factors outside your control, such as: lights in the ballroom go out; flooring is faulty or damaged; music suddenly stops; or our DJ plays the wrong music for your dance.
 - Costume malfunctions – your shoe breaks or becomes unfastened or untied; your costume tears or breaks; or you lose a piece of clothing that could endanger other dancers or expose a part of your body that would not normally be exposed in a public setting.
2. You may **not** request a restart if you are dissatisfied with your dance order, performance, partner, music, or because you fail to remember part of your routine.
3. For your own safety, you also will **not** be allowed to restart if you are injured during your dance.
4. You must request a restart prior to your departure from the floor, and our Chief judge must approve your request. Our chief judge may also call for a restart without a request from you if our Chief judge believes it is fair to all and in your best interest.
5. If our Chief judge allows a restart, your previous scores will be voided.
6. The restart will begin at the Chief judge's discretion depending on whether it is a Showcase or Classic routine. They will not automatically perform last, if possible. If the Chief judge denies your request for a restart, or you decline an offer to restart, your prior performance will be scored.

Awards

The Organizer will determine and award all prizes and money. Monetary awards will be given in the form of a check at the Awards Ceremony.

1. *Friday Awards*. Pro-Am and Jack & Jills (if possible).
2. *Sunday Awards*. All remaining divisions.
3. If your check or checks total more than \$600, you will be required to complete an IRS 1099 tax form.

If for whatever reason, there is a national disaster or a severe economic downturn beyond the Organizer's control, the Organizer reserves the right to adjust the prize money. Registered competitors will receive advance notice if this should become necessary.

QR Codes will be posted in the Green Room after the Awards Ceremony on Sunday evening. QR Codes will remain posted for one (1) hour. The Chief judge and Referee will be present to answer any questions. Please be respectful. The results will be posted online shortly after.

Appeals

No appeals will be allowed. All decisions of competition officials are final. However, you may use appropriate channels to discuss any concerns with our Chief judge or competition coordinator.

Judges' Feedback

This is for Routines only. Competitors may discuss their performance with the Judges using the appropriate times and channels. If a competitor would like to discuss their results, it is their responsibility to attend this review.

1. Judges' panel, Sunday at 8:30 PM (location TBD —check schedule).
2. The chief judge, judges, referee, and scorekeeper will be present to answer questions.
3. A parent or guardian must accompany Juniors.
4. All competitors must be courteous and demonstrate professional behavior.
5. The Organizers are not obligated to discuss scores after this time.
6. Judges' decisions are final.

Judging Criteria

You will be judged on the following criteria:

1. **Timing. "How Your Body Connects to the Music."** Swing is danced beginning on the downbeat. Good timing includes not only dancing to the correct beat but finer distinctions such as whether you are dancing to the syncopated "swing" of the music. Your syncopations and footwork also need to be on time.
2. **Technique. "How Well You Do What You Do."** How well you execute the movements in your dance constitutes technique. Good technique includes clean execution and completion of dance elements such as control of balance and weight, foot placement, body lines, spins and turns, and control of arms and hands.
3. **Teamwork. "How Well You Work Together."** Swing is a connected partner dance. Demonstrating this connection through lead/follow or action/reaction with your partner is an expected part of any swing dance competition. A balanced performance of give-and-take with your partner should be your goal. Ignoring, disrespecting, or jeopardizing the safety of your partner indicates poor teamwork. Compensating and adjusting for your partner is an expected part of good teamwork.

4. **Content/Choreography.** “What You Do.” The selection and order of movements and transitions executed during a dance comprises choreography. Good choreography demonstrates an intimate connection with the music and its phrasing, as well as variety and contrast of movements. Choreography must be tasteful and respectful to the audience.
5. **Showmanship/Presentation.** “How Well You Sell What You Do.” Creating an atmosphere of excitement by inviting interest in your performance is the desired effect of a good presentation. A good presentation begins with your selection of appropriate attire and shoes. While providing a good show is one aspect of presentation, it cannot substitute *good dancing*. You should aim primarily for demonstrating positive dance chemistry together as a couple. Gratuitous mugging to the audience or the judges may result in a lower score. Good sporting conduct before, during, and after your dance is also an expected element of good presentation.
6. **Musical Interpretation.** “How Well You Interpret the Music.” Good musical interpretation consists of adjusting the flow of your dance to fit the style, tempo, mood, and rhythm variations in the music. You should strive to demonstrate the ability to hear and interpret nuances in the music throughout your dance.
7. **Level of Difficulty.** “How Difficult is the Performance.” Depending on “the degree of difficulty” that is executed will keep the audience engaged and the performance exciting. An elevated level of difficulty includes intricate and innovative movements that should be maintained throughout the performance and the execution should not appear “difficult.”

Guidelines for “Swing Content” for the West Coast Swing Routine Dancers

Please go to <https://nasde.net/swing-content-guidelines/>

Swing Content Violations

Please go to: <https://nasde.net/nasde-scoring/>

Violations & Errors

If you fail to follow *The Open’s* rules, and a Referee is not part of the judging panel for a particular competition, our judges may assess a penalty. Unless defined elsewhere in our rules, the levels of severity and associated penalties are as follows:

1. **Errors.** An error is a minor and unintentional breach of the rules. For example:
 - A brief and unintended loss of contact with your partner (where the rules require contact)
 - A momentary loss of balance
 - A momentary loss of composure

Errors may be penalized (or not) at the discretion of each judge observing the error.
2. **Violation.** A violation is a serious and intentional breach of the rules. For example:
 - Making a face or expressing unhappiness with your draw of a particular partner or musical selection
 - Behaving disrespectfully toward your partner, another competitor, a spectator, a judge, or the event
 - Wearing an inappropriate outfit or costume
 - Competing while intoxicated or under the influence of mood-altering drugs
 - Using prohibited choreography, such as a lift in a Jack & Jill competition
 - Performing a “trick” move that endangers your partner, other competitors, or spectators
 - Choosing choreography that blatantly ignores or contradicts the phrasing of the music
 - Failing to include the required percentage of recognizable swing content in your dance

Judges may assign violations at their discretion, and they may choose to penalize a violation by a drop of one more position in their final placements.

Referee Judge and Review Panel

Routine and designated Final competitions will use the **Wayne Bott Referee System**, developed by Wayne Bott. A referee judge uses a checklist to determine whether each routine follows the rules.

1. If all couples pass, the review panel is not needed.
2. If any couple fails, our chief judge will appoint a review panel, which consists of the chief judge plus two (2) other judges.
3. These judges will review the video of the flagged couple to determine if a violation occurred.
4. If a majority of the review panel agrees that a violation has occurred, the review panel will determine the number of placements to be dropped based on the magnitude of the violation.
5. The penalty for a severe violation may include being dropped out of the money.

Time Violation for Routines

If our referee judge determines that your routine is over the maximum or under the minimum time limit and verified by our Chief judge, you will be disqualified (placed last). You will have the opportunity to try out your music before the competition during floor trials. It is your responsibility to ensure that your routine meets the time requirements.

 - A prop is anything used in the routine that is outside of the costume and is used to help tell a story.
 - Hats, jackets, capes, sunglasses, and other reasonable dance clothing items are considered costumes and may be worn in all divisions. However, clothing or items may NOT be discarded, nor switched from one partner to another.
 - If you are concerned if something might be considered a prop, you must ask prior to competing.
 - Microphones and/or headsets are not permitted during any routine.
 - The Referee will have a list of approved props for the Cabaret division. If an unapproved prop is used, it will go before the Review Panel. Using a prop in any division other than Cabaret or using an unapproved prop will result in a violation.
9. **Routine.** A routine is any dance performance or segment using prearranged choreography rather than spontaneous lead/follow moves. Routines are allowed only in Rising Star, Showcase, Classic. (Coordinated footwork or mirror patterns from Carolina Shag are not considered routine).
10. **Side-by-side.** A side-by-side is any set of symmetrical or complementary movements of foot work executed by a couple that is not part of a recognizable lead/follow swing dance pattern. Such segments are often executed with the partners next to each other, both facing the judges (i.e., side-by-side), but segments executed in other positions (e.g., back-to-back, open position, closed position) are included in this definition for the purpose of these rules. Side-by-sides (no longer than 8 beats of music) are allowed in all our competitions. However, our judges may mark down excessive use of side-by-sides.
11. **Time Limit.** Performances must be a minimum of 2 minutes and a maximum of 3 minutes in every division with the exceptions below:
 - Pro-Am Routine performances must be a minimum of 1 ½ minutes and a maximum of 3 minutes.
 - Team performances must be a minimum of 3 minutes and a maximum of 5 minutes.
 - Cabaret performances must be a minimum of 2 minutes and a maximum of 4 minutes.
 - Choreographed Floor Entrances and Exits are included in the time limit (whether there is music).
 - A five-second buffer will be allowed to accommodate differences in music equipment. Time starts at first performance movement.
 - Not adhering to time limit requirements will be treated as a violation.

12. *Weight Support Moves*. When the Center Point of Balance (CPB) is leveraged beyond the supporting leg, to the point that release of connection, would result in falling.
- This does not include slides. Unless the body position of the slide falls in line with the above statement.
 - When the dancer is not able to get up from the floor without the connection of their partner.

When the partner cannot get into position without full support from their partner.

- One part of the body below the waist must remain on the floor through all weight supported moves. All these criteria will assume they are being performed by highly athletic individuals, so judges will err on the side of the dancers.
- A weight support move is counted as two (2) weight support moves when the dancer comes back up in a vertical position over their Center Point of Balance (CPB) and then back off of their CPB. However, if the CPB is not gained, then it is one (1) continuous weight support move.
